Everything you need to get the most from your AGA cooker

autumn / winter 2020

We are delighted to introduce our new products to bring you the very best for your kitchen...

NEW this season, our gorgeous new cast iron cookware is available in matt black and shiny white enamel, perfect for fragrant one pot dishes, soups and roasts direct from the oven to your table.

We have been working hard on new ranges of extremely robust kitchen textiles with additional insulation featuring new designs including the beautiful 'Dragonfly' design, 'Winter Robin' design - in celebration of this welcome visitor to our gardens and 'Hot Dogs' - a nod to our all wonderful canine friends!

Teaming up with our friends at Spode, we have combined our two British brands to bring you a collection of oven to tableware featuring the Spode Blue Italian design on our exclusive AGA ovenware. With its floral chinoiserie border in shades and textures of cobalt blue, Spode Blue Italian is recognised as one of the most admired British designs of all time. Instilling peace, tranquility and wonder into the home, the collection is adored worldwide.

You will notice our textiles now come in bio degradable packaging. At AGA cookshop we are committed to bringing sustainability to all packaging going forward and this remains a key focus as we continue our journey across our range of products.

## LIDS

Apply Chrome and Steel Cleaner with a damp e-cloth and finish using the polishing cloth

## HOTPLATES
